Absolute Quality
We're shutter specialists, making only hardwood shutters and employing only shutter experts across the business.

Absolute Service
We're in charge of your shutters at every stage. Our pricing and procedures are transparent. Our advice is impartial and instructive.

Absolute Value
We guarantee you the lowest UK price for wooden plantation shutters. We'll match any like-for-like quote.

Tier-on-tier shutters

Versatility is the word for our tier-on-tier shutters. The upper and lower panels can be opened independently for greater privacy and light control at all times of day. Perfect for homes with windows near the street.

Café style shutters

The shutter for stylish street front rooms. Covering only the lower half of your window, café style shutters keep prying eyes out but still allow the light to flood into your room. Ideal for anyone who wants to keep their curtains open but gain some privacy.

Bring interiors to life

With our colour match service you can add a touch of personality to your decor. Choose any colour you like, give us a sample and we'll match it in a paint or stain finish.

Full-height shutters

Add clean lines and an elegant finish to any window or door with our full height shutters. In many cases, fitting a mid-rail increases the practical and aesthetic benefits of this style.

Tracks and doors

We offer a variety of options to spruce up any door set. A tracked formation is just the thing for a large run of glass or room divider, with shutters that slide majestically aside to reveal the full space behind.

Solid shutters

Inspired by the Victorian era, the solid panel design of the original UK shutter style comes with plenty of pluses. As well as achieving total privacy when closed, they act as an extra barrier against noise and weather - the ultimate in snug, secure home comfort.

Custom shapes

Arches, hexagons, circles, triangles, awkward angles. Whatever the peculiar shape of your window, we'll make a shutter to fit it. And don't think for a second that you have to settle for a blind on your Velux® window - we can even make a shutter for that.

EXCLUSIVE DESIGNER SHUTTERS

Absolute Shutters

An exclusive range embodying the stylish architectural lines and design ethos of Absolute Shutters. Based on our signature colour palette, these custom-fit Maple or Oak shutters come in a array of finishes - mat paint high -gloss lacquer and overwash wood stain.
